HE'S NO LONGER IN THE GRAVE

I recently read that in 1887, twenty two years after the assassination of President Abraham Lincoln, his coffin was dug up and opened because there were constant rumors that his body was not in the grave. The rumors continued...and 14 years later, they had to dig it up again! Witnesses watched each time, to prove that he was still in the grave. Two thousand years ago rumors were swirling all around about what happened to the body of Jesus after he was put in the grave. Though there were eye witnesses who saw him resurrected when they went to his grave, there were many people who didn't go to the grave and didn't believe his body was missing! Of course, there were also eye witnesses to the empty grave (perhaps Jewish leaders) who believed someone came and stole his body. No matter what....there will always be people who believe Jesus did NOT rise from the dead.

You believe Jesus rose from the dead don't you? You believe he's no longer in the grave don't you? You believe that he is alive and well today don't you? You believe if you cry out to Jesus today he will help you don't you? Cry out to Lincoln and he can't help you. Cry out to Einstein and he can't help you. Cry out to Buddha, Gandhi or Muhammed and they can't help you. Why? Because their body is still in the grave. Christ is risen, he is risen indeed!
