

IN TOUCH

Dear Friends:

I trust that *you* trust in the Lord daily for hope and peace. This week's In Touch is an excerpt out of Joseph Lee's book: "Scrolls From The Soul". An excellent read entirely based on Bible passages and the kind of book we need especially in times like these. I know will like what you read below. I highly recommend you buy it either on Joseph's website biblescrolling.com, Amazon, or some Barnes and Nobles stores may stock it. A CD version is available also. Now, let's hear from Joseph....

HOPE AND PEACE

"In everything give thanks for this is the will of Christ Jesus concerning you" (I Thessalonians 5:18)

Herein lays the difference between believing and faith...

Believing is knowing that with God all things are possible...

"But Jesus beheld them, and said unto them, With men this is impossible ; but with God all things are possible (Matthew 19:26)

Faith is accepting that God know what is best for us.

"And he said unto me, My grace is sufficient for thee: for my strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me"

During troubled times, it is believing in God that brings us hope...However, it is faith in God that brings us peace...
