

**Greetings Everyone In The Great Name of the Lord:**

**I am very happy and filled with joy to report to you that the Management Team, along with child-care leaders and Dr.'s Sunil and Tricia Bhat met via conference call on Tuesday, April 28<sup>th</sup> to explore what we would need to do and how soon we could re-open the church safely. Great news! We can re-open the building for worship May 17<sup>th</sup>. All along I have been reminding you that the church is NOT the building, the church is living & breathing people. The building is just where the church happens to meet for ministry and corporate worshipping. Many people have worked over the past month to stay in contact with all those we had contact information. This is just one reason why we need everyone's email address and phone numbers (even cell phone).**

**I have attached The Re-Opening plan. If you don't know how to download and attached document, call someone who does! I'm sure all of you can. As I said in the In Touch yesterday, our plan is not perfect and may need "tweaked" as we go along. Please be patient. Regarding the use of masks, using your own is encouraged, but we have enough to last awhile. I just got called yesterday, 100 additional masks were promised to us. ALSO....I want to be sensible about masks, if you sing (and I hope all do), it doesn't make sense to keep your mask over your mouth and sing, so lower it to sing! Maybe you don't want to wear it while in the pew. That's ok, but be sure you are 6 ft. or more from non-family members please! It is really important, though, to wear the mask while socializing. Regarding all the protocols, they ARE NOT mandatory, we do not want them to stop you from coming to church, but we would like you to consider the safety and comfort level of others. As I note on the attached, at least until June 14 PLEASE maintain social distance of at least 6 ft.**

**A couple other notes: For the time being, there will be no meeting and greeting, no passing the offering plate (plates available at doors when leaving), hand sanitizing strongly urged when you arrive, individualized communion juice and wafers, greeters will open entry doors for you.**

**In Christ's Love, Pastor Mike**
