SORRY, IT'S NOT ABOUT YOU (Or Me)

Dear Friend,

It's NOT about you! The purpose of your life is far greater than your personal fulfillment, your peace of mind or even your happiness. The purpose of your life is even greater than your family, friends, or job. Google "Life's Purpose" or something similar and you will find thousands and thousands of resources, including hundreds of books.

The search for the purpose of life has puzzled people since the sin of Adam and Eve. Most books on the purpose (meaning) of life begin at the wrong place: they begin with ourselves. They suggest you ask questions such as: "What do I want to be?", "What should I do with MY life?", "What are MY goals, MY dreams?" Most books about finding your purpose in life are self-help, self-centered, self-fulfilling books. What's the problem with that? You did not create yourself, so there is no way you can tell yourself what you were created for. The creator always knows what he/she created something for (purpose).

In the case of human beings (the created) God (the creator) knows what we were created for. This Sunday we begin a six week study called: "Re-purposing your life". What on earth am I here for." If you cannot be here I REALLY encourage you to watch online. Go to Amazon and order The Purpose Driven Life. Spend 40 days together with the church to re-discover your life.

In Christ's Love,

Pastor Mike
