

FREE, FREE, FREE! – Deadline for Removal: March 13th

Dear Friend:

Spring cleaning INSIDE the Church. I know this space is always used for devotional purposes, but this week we have news that is so big you should know it now! For only the second time in 30 years we are doing a wall to wall, room to room, Spring clean-out of the church. We have over 40 items that must go! Some of these items are: a nice metal office desk, office chairs, several filing cabinets, a nice desk/table from a doctor's office, children's toys, the 2 high-back wooden chairs from the old church, 2 pulpits previously used, a refrigerator, radio/CD player, rocking chair, a stroller, cabinets, etc.

All of this comes as a part of a total makeover and remodeling of the west wing. Within a few weeks a small pre-school will start using our church (yes, they will pay rent). As they move in and we clean out, we want to do some updating of our own. The Management Team (Board) is asking you to help the church raise (\$5,000) for the things we need, such as, replacing the very old spare refrigerator, a new vanity/sink in the nursery, new window panes in the west wing, new cabinets in each Sunday School classroom, a small partial payment to the pre-school as they entirely remove carpet in the west wing and replace it with new wood laminate flooring. You can contribute funds by sending a check or placing it in the offering plat and market it : Renovation Project.

In Christ's Love,

Pastor Mike

Prayer Needs: Vaccine Success, Lyle Starr, Milton & Erica Pacheco Thailand Missionaries

Events: Communion This Sunday and Spring Cleaning Bargain Day
