

YOU WERE MADE FOR A MISSION

Dear Friend:

At Franklin Church we are coming to the end of our 40 day journey, Re-Purposing Your Life. The church has walked through the 40 day journey before, but it has been so long ago that now is a good time to step back and take a look at where one's life is spiritually. Are you living out the purpose God intended for your life or do you need to get back on track in some area of your life?

The fifth and final purpose of your life is: You Were Made For A Mission. What is that mission? Your mission is: introducing people to God. God saves us, then he sends us out with the mission to tell others about him. Consider this: you may be the only Christian some people know. This thought would have been preposterous twenty-five years ago but it is an everyday occurrence now. Fulfilling your mission is a matter of heaven or hell for those non-Christians you meet.

Why do so many Christians never tell others about God? One of the major reasons is because they feel they need a Ph.D in the Bible to share their faith. The church has made it too complicated. Here is a simple formula for sharing your faith....first: Learn what the non-Christian knows and does not know about God. Second: Share your spiritual life journey and how you became a Christian. Third: Invite them to follow Jesus with you. Your mission is to share your faith- God's part is to bring them under the conviction of the Holy Spirit, it is their part to say yes or no to the Holy Spirit.

In Christ's Love, Pastor Mike
