

This week's In Touch is from *Scrolls From the Soul* by Joseph W. Lee. His book can be found on Amazon and local bookstores.

WHO HAS OUR FAITH?

“And Jesus answering said unto them, ‘Have faith in God’” (Mark 11:22)

People often say that they cannot have faith in things they have never seen...

Millions of people read newspapers every day, and with faith in nothing more than paper and ink, they believe...

And yet... Hand them a Bible and they refuse to believe...

Every day, people receive the newest artificial heart, and with faith in the doctors, willingly hand over their lives...

And yet... God's miracles, they will not accept...

People walk on to airplanes every day without second thought, and with faith in a pilot they have never seen, they simply go on with their day...

And yet... Trust in God? Someone they do not know...?

There is no doubt that we are a people of great faith...

The question is... Who has our Faith...?

In Christ's Love,

Pastor Mike
